## the harrier concept

The YewdaleHarrier® range of fabrics are designed for areas where flame retardant standards are a minimum requirement. With the option of conventional or disposable fabric, along with material suitable for showers, the comprehensive range with the options of colours available, caters for all environments. The YewdaleHarrier® concept of curtains being available for immediate installation, removes at a stroke the biggest problem with hospital curtains - delay!

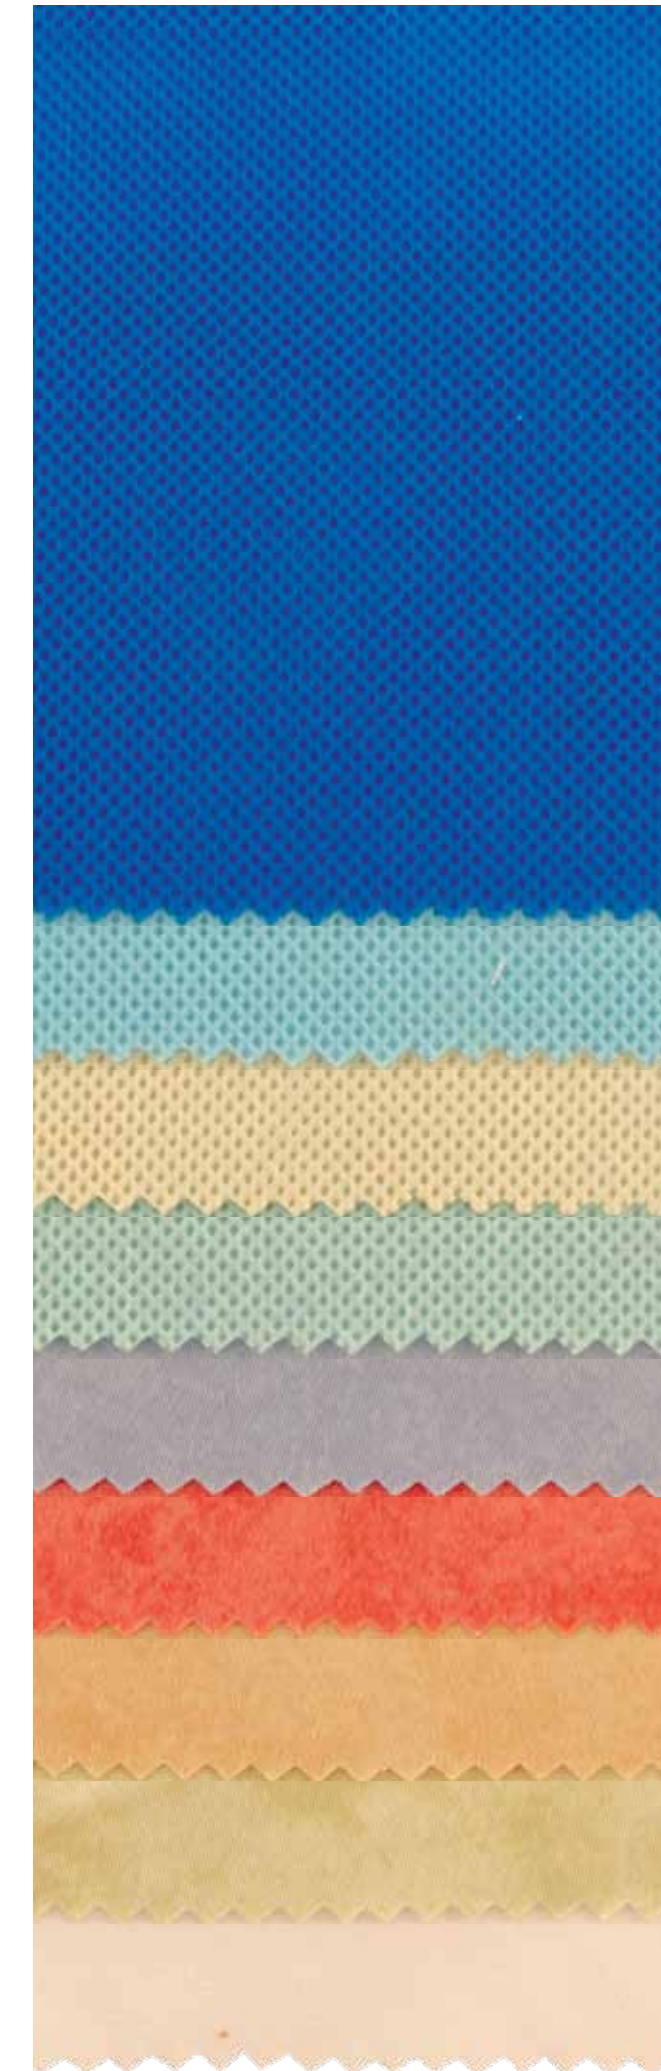

this fabric range comes with a full BIOSAFE Accreditation as standard.
